Dismissal.

On Thursday evening further papers relative to recruiting in the United States were presented to Parliament. They include Mr. Marcey's despatch an and myself, that such correspondence had ceased may be requisite or applicable. communicating the fact of the dismissal of the British minister and the British consuls, and the affida-AN ACT to amend the Constitution of the State of North vits which accompanied the same; a letter from Mr. Crampton to the Earl of Clarendon, dated London, June 19; a memorandum by Consul Barclay, containing a denial of Mr. Marc'y charges ipsissimis

> latter important dispatch is as follows: [The Earl of Clarendon to Mr. Marcy.] FOREIGN OFFICE, June 26, 1856, -Sir-The des-

Her Majesty's Government are gratified at learning that the assurances contained in my note to you of part of Her Majesty's government to violate the laws, sive control of any power. compromise the neutrality, or disregard the soverdifference with respect to the question of enlistment has crased to exist between the governments of Great

It is with much regret, however, that Her Majesty's government have learned that the President has been unable to alter the view which he had taken of the conduct of Her Majesty's Minister at Wash. Philadelphia and Cincinnatti, in regard to the transactions which have been under discussion between

of North Carolina, do hereby certify that the foregoing is a Mr. Marcy had, in his despatch of December 28, 1856, stated that the President was of opinion that those officers of her Majesty had violated the laws of the United States by being parties to enlistment State and the requirements of the aforesaid act, I do issue within the Union; that he, on that ground, considered that they had become unacceptable organs of by proposed to be made to the Constitution of the State, and her Majesty's Government in the United States, and do cause the same to be published in ten newspapers of this that he consequently requested that they might be

Her Majesty's government did not share in this State of North Carolina, have hereto set my hand opinion of the President in regard to the conduct of and caused the great seal of the State to be hereto those officers of her Majesty; and having communiaffixed. Done at the city of Raleigh, this the 24th cated to those officers the charges made against them, day of January, A. D., 1856, and in the 80th year and the evidence on which those charges rested, and having received from them full denials of the truth of the charges, and such coroborating evidence as they were able to produce tending to invalidate the testimony brought against them, her Majesty's government laid all these matters fully and frankly before the Government of the United States, with the persuasion that they would remove the unfavorable impressions which had been created in the mind of Bladen and Sampson, and having manufactured them to the President with regard to the conduct and pro- expressly limited or abandoned. satisfacton of the best formers, now offers the above value ceedings of her Alajest'y minister at Washington,

and of the three above named consuls They have been too long known to require any recommen- not produced the effect which her Majesty's governdation, they speak for themselves; also, Plows, and Sweeps ment had expected; and Mr. Marcy, in stating that the President's view of these matters remained unaltered, accompanied that statement by a number of additional documents, tending to confirm the view which the President had originally taken of these

> Her Majesty's government have carefully examined these additional documents but do not find in them any evidence worthy of belief which should shake the confidence which they have reposed in the assurance of Mr. Crampton and of the consuls.

Her Majests's government retained the high opinest desire by which he has been animated to avoid all just cause of offence to the government to which he was accredited. Her Majesty's government cannot but roneous information, and by the testimony of witnesses undeserving of belief

Her Majesty's gove mment entertains similar convictions as to the conduct of her Majesty's consuls at New York, Philadelphia, and Cincinnati. Such a conflict of opinions, on such a matter, be-

tween the governments of two great powers, must necessarily be the subject of serious deliberation by both : and her Majesty's government have not failed to give to this matter all the consideration which it justly deserved.

If her Majesty's government had been convinced, like the government of the United States, that her Majesty's officers had, in defiance of their instructions, violated the laws of the United States, her Majesty's government would, both out of deference 100 pieces Irish Linens, assorted. Damask Table Diapers, authority of the British Crown, have removed those Bleached and Brown Table Cloths, all sizes; Russia, Scotch, officers from the post which they held. If the government of a foreign country were

capriciously, and without any apparent belief that known in the House-keeping line.

In addition to the above, we have on exhibition the most it had good ground for doing so, to break off its superb stock of FINE AND FANCY DRESS GOODS, for diplomatic relations with the minister accredited to it by her Majesty, her Majesty's confidential servants. answerable for maintaining the honor and dignity of

But in the present case her Majesty's government are bound to accept the formal and repeated declarations of the President of his belief that these officers of her Majesty have violated the laws of the Union, 500 pieces American and English Calicoes; 200 do. Mous- and are, on that account, unacceptable organs of lin deLaines, at 20 and 25 cents, a great bargain; Hand- communication with the government and authorities of the United States; and her Majesty's government vats, Stocks, &c., besides a variety of articles too numerous cannot deny to the government of the United States to mention. In soliciting a call, we would say that, we still a right similar to that which, in a parallel case, they adhere to the one price system-that we warrant all the would claim for themselves, the right, namely, of goods we sell-misrepresent nothing, and are always willing to show up our stock without urging customers to buy beyond their pleasure. To supply our large and rapid trade, laws of the Union upon transactions which have

I have, therefore, the honor to inform you that, the mutual relations of our two countries.

Majesty's government, the most friend y feelings tonot to be undersold in the price of our articles or bettered as to so as to arrange all questions of difference, as to requality. > [Signed] CLARENDON. Central America. MARCY

the 11th instant, and also the Earl of Clarendon's re- did not previous y possess. ply. The latter document is as follows: -

dated the 25th u.t., a copy of which was placed by than 1852. gon in my hands on the 11th instant, on the subject | If the differences between the two governments on of the difference of opinion between the British Gov | this subject cannot be arranged by direct negotiation, construction and effect of the Convention of A ril 19, matter of a reference to a third power.

Before I proceed to communicate to you the views order to ascertain, in the first place, whether existing

Despatch of Earl Clarendon upon Mr. Crampton's of her Majesty's government in reply to this dispatch, differences cannot be promptly terminated by direct I will beg leave to remark, in answer to Mr. Marcy's negotiation, and if they cannot be so settled, then observation that direct communication upon the main | to discuss the conditions of arbitration on those points subject had for some time ceased between Mr. Buch- of difference as to which this method of settlement

finally, Earl Clarendon's reply to Mr. Marcy. The The treaty arose out of the various projects which had been started for commercial communications patch of Mr. Marcy, which you read to me on the Pacific, and especially had reference to the scheme across Central America, between the Atlantic and the 11th instant, and of which you placed a copy in my hands, has received the attention of Her Majesty's government.

Pacific, and especially had reference to the scheme of a ship canal by the river St. John, and the Lake Nicaragua The main object of the treaty was to provide a security that such lines of commercial provide a security that such lines of commercial ply to me, or A. H. Powell, for further particulars, on the America they might pass should be free for the use June 13, 1856.—[41-3m. ABSOLOM POWELL. America they might pass, should be free for the use of all nations, and should not fall under the exclu-

and stated in the first article, which is as follows :other will ever obtain or maintain for itself any ex-clusive control over the said ship canal; agreeing clusive control over the said ship canal; agreeing that neither will ever erect or maintain any fortifications commanding the same, or in the vicinity thereof.

In an oniversity, where he acted as Assistant 1 follows:

Chemistry, gentlemen may depend on having a correct report of analysis, of any sample sent him.

Mr. D. will teach Medical Students the detection of points. tions commanding the same, or in the vicinity thereof, cise any dominion over Nicaragua, Costa Rica, the ington, and of Her Majesty's consuls at New York, Mosquito coast, or any part of Central America; nor which the analysis of Soils and Marls, will be taught. will either make use of any protection which either and search for Marl If no deposits are discovered, no fee affords or may afford, or any alliance which either asked, except traveling expenses.

ROBERT H. DRYSDALE, F. G. C. S. ROBERT H. DRYSDALE, F. G. C. S. the purpose of erecting or maintaining any such fortifications, or of occupying, fortifying, colonising ominion over the same

"Nor will Great Britain or the United States take advantage of any intimacy, or use any alliance, connection or influence that either may possess with any nection or influence that either may possess with any State or government through whose territory the said canal may pass, for the purpose of acquiring or holding, directly or indirectly, for the subjects or the citizens of the one, any rights or advantages in regard to small profits.

will be sold, wholesale, very low, for cash. Quick sales and small profits.

J. CREECH. commerce or navigation through the said canal, June 6 .-- 40-6m. which shall not be offered on the same terms, to the subjects or citizens of the other."

Her Majesty's government deemed that the plain and unquestionable interpretation of this article was, that each government was prohibited from doing what the words of the article explicitly declared that neither government should thereafter do; but that both governments retained the rights which they had previously enjoyed, where those rights were not With regard especially to the protection which, for

It appears, however, that this communication has f rded to the Mosquito Indians, this article, so far aged about twenty-eight years, six feet high, and black, from requiring that protection to cease, acknowledges formerly belonging to M. C. Nixon, has absented himself from his said master's service, and is supposed to be lurking a long course of time the British government has afits existence and contemplates its continuance; for the article says that "neither party will make use of deeds: These are, therefore, in the name of the State, any protection which it affords, or may afford, to any aforesaid, to command the said slave forthwith to return home State or people, for the purpose of erecting or maintaining any fortifications, or of occupying, fortifying or colonising the countries therein specified." The treaty, therefore, does not require existing protection to cease, but only forbids using such protection for certain specified purposes.

aforesaid, to command the said slave forthwith to return home to his master; and we do hereby, by virtue of the Act of the General Assembly, in such cases made and provided, intimate and declare, that if the said BOB does not return home and surrender himself immediately after the publication of these presents, that any person may kill and destroy the said slave, by such means as he or they may think fit, without accusation or impeachment of any crime or offence for so doing, and without incurring any penalty or fortesting thereby.

I repeatedly informed Mr. Buchanan that it was the wish of her Majesty's government to withdraw the protectorate of Mosquito, provided they the wish of her Majesty's government to withdraw 1856. from the protectorate of Mosquito, provided they could do so with honor, securing adequate provision consent to abandon the protectorate of Mosquito, or to give up the Island of Ruatan, merely in pursuance of an interpretation given by the content of the state of the content of the state of the content of the conten of an interpretation given by the government of the vessels are requested to be on the look out for him. United States to a treaty, which interpretation her Majesty's government did not admit, the most usual, as well as the most friendly course to pursue, was to refer the meaning of the treaty to the decision of a

This offer was made by me to Mr. Buchanan by the direction of her Majesty's government; it was several times renewed and discussed between us—

Said "MILLIE" is a bright mulatto, about nineteen years old, middle sized, and quite likely; has a somewhat sim-Mr. Crampton ought, undoubtedly, according to his ple manner when spoken to. She carried off with her her instructions to have communicated to Mr. Marca et child "KITTIE," between two and three years old, and instructions, to have communicated to Mr. Marcy, at darker than the mother. She is supposed to be lurking the time when he received it, my despatch of the about the town of Wilmington. 10th November, giving an account of conversations of little consequence, as Mr. Buchanan had often assured me that everything which had passed between to the United States, and from a due regard to the us had been duly reported to his government. I am therefore at a loss to understand how it happened that the President should, as stated by Mr. Marcy, have been induced only by certain collateral incidents to infer that arbitration by a third power of the dif-

ty's government. A misconception has, however, taken place, which and the course of proceeding which he now proposes and ground peas. for the adoption of the two governments. Her Ma- healthy location, with good water, on the land, together dent to preserve unimpaired the friendly relations of stock enough to cultivate the farms. the two countries, are prepared to enter into negotiatisns on these matters with a sincere desire to b ing cut. them to a speedy and satisfactory conclusion.

Mr. Marcy is correct when he states that Great chantable Timber, within easy reach of the river. Britain lays no claim to any possession or territory on the Mosquito coast, and her Majesty's government on the Mosquito coast, and her Majesty's government consider now, as they have always considered, that the future condition of the Mosquito Indians, for applying to the subscriber, on the premises, who will take which her Majesty's government are bound in honor pleasure in showing their location, &c.

WM. L. MOORE. to provide might be assured by direct negotiations.

It is not contended, nor never has been contended however deeply her Majesty's government regret a that the British Government, consistantly with the FIVE PER CENT on all bills exceeding twenty dollars in proceeding on the part of the President of the United stipulations of the treaty of 1850, could, in the name States, which cannot but be considered as of an in- of the Mosquito Indians, "take with military force, Provisions must be accompanied by the cash, or they friendly character, they have not deemed it their duty and hold San Juan de Nicaragua or any other point on that account to advise her Majesty to command in Central America;" and her Majesty's Government me to suspend my diplomatic intercourse with you, agree with Mr. Marcy, that such a proceeding would and I have to assure you that the high personal es. he irreconcileable with the independence and neutral.
